**Canson® Infinity Rag Photographique** is a 100% cotton museum grade white Fine Art and photo paper. The exceptional smooth white tone is achieved during manufacturing by introducing natural minerals to the process. It has been developed to address the need for continued longevity requirements in the Digital Fine Art market.

Rag Photographique offers a unique extra smooth surface with a sensual feel. It also provides one of the highest achievable Dmax currently available on the market, making it ideal for fine art photography as well as fine art printmaking.

Robert Rodriguez Jr

*Rag Photographique is my favorite paper when smoothness, detail, and a mat finish with great contrast is what I want for a photograph. With Duo, I can have that same surface on both sides of the paper, great for hand made portfolios and other unique applications. Students in my printing workshops really love its quality and versatility.*

## Featured Recommendations

### Rag Photographique Duo

This 100% rag double-side coated paper offers an exceptional pure white tone using natural minerals and an extra smooth, sensual surface. Canson® Infinity Rag Photographique Duo provides one of the highest achievable Dmax currently available on the market.
